and for other valuable and sufficient consideration, receipt
whereof is hereby acknowledged, I hereby sell, assign and
convey, unto Assignee, its successors and assigns, my entire
right, title and interest -

(1) in and to an ornamental design entitled
"CLIMBING FIXTURE FOR A PLAYGROUND STRUCTURE" for which I have
executed United States Design Patent Application Serial No.
29/088,316, filed May 20, 1998 (hereafter "the Application");

(2) in and to the Application, in and to all other
corresponding patent applications including divisional,
continuation, continuation-in-part and reissue applications,
and in and to the patent or patents to be granted therefrom,
including reissues thereof;

(3) in and to all patent applications corresponding
to the Application filed in countries foreign to the United
States of America, and in and to any and all patents granted
on said applications; and

(4) under the International Convention in respect
to the Application, I agree that any patent applications of
any foreign countries which may be filed shall be filed in the

name of Assignee with a claim to priority based on the Application.

I hereby agree that I will, upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be deemed necessary by Assignee, its successors or assigns to a complete fulfillment of the intent and purposes of this assignment. It is understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue any patents issuing from the Application to Assignee.

Signed at JANESVILLE WI 53546
this 27th day of AUGUST, 1998.
