ASSIGNMENT

WHEREAS, we, John W. Carlson of 1711 Tamiami Trail #2, Nokomis, FL 34275 and Samuel J. Lubus of 505 South Shore Drive, Osprey, FL 34275 have invented CAPPING MACHINE, for which we are about to make application for Letters Patent of the United States of America, and

WHEREAS, Inline Filling Systems, Inc., a Florida corporation having its principal place of business at 216 Seaboard Avenue, Venice, FL 34292, desires to acquire the entire right, title and interest in and to said invention:

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations, receipt whereof is hereby acknowledged, we, John W. Carlson and Samuel J. Lubus, by these presents do sell, assign and transfer unto said corporation, its successors and assigns, all right, title and interest in the United States of America and all foreign countries in and to said invention as described in the patent application, executed by me on the 27<sup>th</sup> day of August, 1998, (and we hereby authorize my attorneys, authorized to prosecute said application to here insert the filing date and serial number of the said application, as soon as it is known, Serial No. \_\_\_\_\_, filed \_\_\_\_\_), and to any improvements on said invention heretofore or hereafter made while we are in the employ of said corporation, and any division, continuation, renewal, or substitute thereof, of said application, and all Patents, United States and foreign, granted upon any such applications or for the inventions described therein, and any reissues or extensions of said Patents; and we hereby authorize and request the Commissioner of Patents to issue all Patents on said United States applications to said corporation as assignee thereof.

FOR SAID CONSIDERATIONS, we hereby covenant and agree that we are the owners of the full title herein assigned and have the right to assign the same, and agree that we will communicate to said corporation or its representatives, any facts known to us respecting said invention or inventions and testify in any legal proceedings relating thereto when called upon, and will sign all instruments and documents and render such assistance which in the judgment of said corporation is necessary to vest in it and protect the legal title sought to be assigned.
