and for other valuable and sufficient consideration, receipt
whereof is hereby acknowledged, we hereby sell, assign and
convey, unto Assignee, its successors and assigns, my entire
right, title and interest -

(1) in and to an invention entitled "METHOD OF
MANUFACTURING, PACKING AND TRANSPORTING COMPUTERS" for which
we have executed United States patent application Serial No.
09/072,845, filed May 5, 1998;

(2) in and to said United States patent
application, in and to all other patent applications
(including divisional, continuation, continuation-in-part,
§111(b) provisional, §111(a), and reissue applications) based
upon said invention, and in and to the patent or patents to be
granted thereon, including reissues thereof, if any, to the
full end of the term or terms for which said patent or patents
may be granted;

(3) in and to all patent applications on said
invention now or hereafter filed in countries foreign to the
United States of America, and in and to any and all patents
granted on said applications to the full end of the terms for
which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of my Assignee with a claim to priority based on said United States application.

And we hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue the said United States patent or patents to Assignee.
