ASSIGNMENT

WHEREAS, We, the undersigned, **James W. Reese** and **Craig A. Beveridge**, have made a certain invention for "**Pressure Actuated Safety Switch for Oil Well Perforating**" in the application papers for United States Letters Patent executed concurrently herewith, and

WHEREAS, **Western Atlas International, Inc.**, sometimes hereinafter referred to as "said Assignee", having a principal place of business at 10205 Westheimer Road, Houston, Texas 77042, is desirous of acquiring the entire and exclusive right, title and interest in and to said invention, any and all patent applications which may be filed thereon, and any and all Letters Patent which may be granted or issued therefore in the United States and throughout the world, including any and all divisions, continuations, reissues and extensions of any of the foregoing;

NOW, THEREFORE, for and in consideration of the sum of **THREE HUNDRED DOLLARS AND NO CENTS**, and of other good and valuable considerations, the receipt and sufficiency of which is hereby acknowledged, We do hereby sell, assign, transfer and set over unto the said Assignee, its successors and assigns, the entire and exclusive right, title and interest in and to said invention, patent applications and Letters Patent which may be granted or issued for said invention in the United States and throughout the world, including all divisions, continuations, reissues and extensions thereof, and all international priority rights associated therewith, all to be held and enjoyed as fully and completely as the same might have been held by us had this assignment not been made, and We hereby authorize and request the Commissioner of Patents of the United States and the duly constituted authorities of foreign countries to issue all Letters Patent relating to the foregoing assigned rights to said Assignee, its successors and assigns.

We agree that We will promptly, upon request, and without further compensation, but at no out-of-pocket cost or expense to us, do all lawful acts including the execution of all necessary documents, and the giving of testimony that in the opinion of the said Assignee, its successors and assigns may be necessary or desirable for obtaining, sustaining, or reissuing United States and foreign Letters Patents relating to the foregoing assigned rights, and for perfecting, affirming, recording, and maintaining the title of said Assignee, its successors and assigns thereto, and that We will generally cooperate to the fullest extent in all matters pertaining to said invention and patents, and said Assignee's title thereto.

IN WITNESS WHEREOF, We have executed this instrument on the date(s) indicated below.
