ASSIGNMENT AND AGREEMENT

For value received, I, Peter Schröder, of Pasadena in the State of California, hereby sell, assign and transfer to Lucent Technologies Inc., a corporation of the State of Delaware, having an office at 600 Mountain Avenue, P.O. Box 636, Murray Hill, New Jersey 07974-0636, U.S.A., and jointly to California Institute of Technology, having an office at 1200 E. California Boulevard, Pasadena, California 91125, U.S.A., and their successors, assigns and legal representatives, my entire right, title and interest, for the United States of America, in and to certain inventions related to **MULTIRESOLUTION ADAPTIVE PARAMETERIZATION OF SURFACES** described in an application for Letters Patent of the United States filed on May 8, 1998 and assigned Serial No. 09/075,303, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Lucent Technologies Inc. and California Institute of Technology my entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Lucent Technologies Inc. and California Institute of Technology to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Lucent Technologies Inc. and California Institute of Technology to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Lucent Technologies Inc. and California Institute of Technology in the United States and in all countries foreign to the United States, or to such nominees as Lucent Technologies Inc. and California Institute of Technology may designate.

I agree that, when requested, I shall, without charge to Lucent Technologies Inc. and California Institute of Technology but at their expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
