FOR ONE DOLLAR (\$1.00) and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I,

William C. Pfefferle

being the inventor of certain improvements in CATALYTIC METHOD

hereby assign unto Precision Combustion, Inc.

a corporation organized and existing under the laws of
Connecticut, and having a principal place of
business at

25 Science Park, New Haven, Connecticut 06511

my entire right, title and interest in and to such invention, together with the patent rights and rights of protection to the same throughout the world, including any patent rights which may result from the application for United States Letters Patent Serial No. 08/843,258 filed 04/14/97 preparatory to obtaining Letters Patent of the United States therefor and in and to any and all divisions, reissues, continuations and extensions thereof and in and to any Letters Patent that may be granted thereon; said invention, application and Letters Patent that may be granted thereon; said invention, application and Letters Patent to be held and enjoyed by the said assignee for its own use and behoof and for the use and behoof of its successors and assigns, to the full end of the term from which said Letters Patent or other rights of protection may be granted, as fully and as entirely as the same would have been held and enjoyed by me had this assignment and sale not been made.

AND I COVENANT, AGREE AND WARRANT that I have a full and unencumbered title to the invention hereby assigned, and I further covenant and agree that I will, at any time upon request, without further compensation, execute and deliver any and all papers or instruments that in the opinion of the assignee may be necessary or desirable to secure said assignee the full enjoyment of the rights and properties herein conveyed or intended to be conveyed.

IN WITNESS WHEREOF, I have hereunto set my hand and seal
this 17th day August of 1998.
