CONFIRMATORY ASSIGNMENT

WHEREAS, We, Michael Feygin, a United States citizen, residing at 30822 Via Rivera, Rancho Palos Verdes, CA 90275, Alexandr Shkolnik, a Russian citizen, residing at 1519 N. Martel Avenue, #110, Los Angeles, CA 90046, Michael N. Diamond, a U.S. citizen, residing at 18330 Amie Avenue, Torrance, CA 90504 and Emmanuil Dvorskiy, a Russian citizen, residing at 8011 Romaine Street, #306, Los Angeles, CA 90046 (hereinafter collectively the "Inventors") have invented certain new and useful improvements in a LAMINATED OBJECT MANUFACTURING SYSTEM for which we have filed an application for United States Letters Patent on April 12, 1996 as application no. 08/635,506, which issued as U.S. Patent No. 5,730,817 on March 24, 1998;

AND WHEREAS, We, the Inventors, executed an assignment ("Previous Assignment") in August of 1996 to assign all right, title, and interest in said improvements and said application to Helisys, Inc., with its principle place of business at 24015 Garnier Street, Torrance, CA 90505, which assignment was recorded in the U.S. Patent and Trademark Office on September 23, 1996, at Reel 8150, Frame 0177;

AND WHEREAS, the Previous Assignment incorrectly set forth the corporate citizenship of the aforementioned Helisys, Inc. as a California Corporation rather than as a Delaware Corporation;

AND WHEREAS, We, the Inventors, now desire to correct the Previous Assignment by assigning the entire right, title, and interest in and to said improvements and said application to Helisys, Inc., a Delaware Corporation, having a principle place of business at 24015 Garnier Street, Torrance, CA 90505 (hereinafter referred to as "ASSIGNEE");

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) each to us in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, we, the said inventors, do hereby acknowledge that we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title, and interest throughout the world in, to and under the said improvements, and the said application and all divisions, renewals and continuations thereof, and all Letters Patent of the United States which may be granted thereon (including, without limitation, the above-mentioned U.S. Patent No. 5,730,817) and all reissues and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and we hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand and seal this 11th day of August, 1998
