Application Title: PROCESSING OF THERMOPLASTIC RIGID-ROD MOLECULAR COMPOSITES

Inventor(s): Narayanan Venkatasubramanian

Date Inventor(s) Executed Declaration: July 29, 1998

Contractor's Name: Systran Corporation

Contract Number: F33615-94-C-5804

Contractor's Docket No.: _____

Air Force Docket No.: AFINV D308

The undersigned Inventor in recognition of his obligation as an employee of the Contractor to assign inventions to the Contractor, and pursuant to the obligations of the Contractor to the Government of the United States under the above contract, hereby assign to the United States of America, as represented by the Secretary of the Air Force, his entire right, title, and interest throughout the world in and to each invention disclosed and claimed in the above U.S. patent application, made jointly with Fred E. Arnold and Derrick R. Dean, employees of the United States Government and Thuy D. Dang, an employee of University of Dayton Research Institute, and any substitution, division, continuation-in-part, or continuation of such patent application, subject to the reservation to the Contractor of any license to which the Contractor may be entitled under the above contract.

The Inventor agrees to assist the Contractor and the Government, upon request, by furnishing any available information and documents, performing all acts, and doing all things which may be reasonably necessary to prepare, file and prosecute such applications and make this assignment effective.

The Contractor joins in and agrees to this assignment and, except for the reservation of any license under the above contract, relinquishes and assigns to the United States of America as represented by the Secretary of the Air Force its entire right, title, and interest throughout the world in and to such inventions, and further agrees to furnish to the Government, upon request, any available information and documents necessary for the preparation, filing, and prosecution of such applications, for patent.

N. Venkatasubramanian
