ASSIGNMENT OF U.S. PATENTS

WHEREAS, NABISCO TECHNOLOGY COMPANY, a Delaware corporation, located at 1105 Market Street #803, Wilmington, Delaware 19801 and having an office and place of business at One South Wacker Drive, Chicago, IL 60606 ("Assignor") is the owner of all right, title and interest in and to the issued United States Patents listed in the attached Schedule A (collectively, the "Patents") and the inventions described and claimed therein (collectively, the "Inventions"); and

WHEREAS, ConAgra, Inc., a Delaware corporation located at One ConAgra Drive, Omaha, Nebraska 68102 ("Assignee"), wishes to acquire all of Assignor's right, title and interest in and to the Patents and Inventions in the United States of America, its territories and possessions (the "Territory").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns, in the Territory, absolutely and forever, all of the Assignor's right, title and interest in and to each of the Patents and Inventions, for the full term, including any renewal, reissue, substitute, continuation, continuation-in-part, division or extension thereof, together with all causes of action for any and all previously occurring infringements of the rights being assigned and the right to receive and retain all monetary and other proceeds relating to those causes of action.

Further, Assignor agrees that, upon request and without further compensation, but at no out-of-pocket expense to Assignor, it will use its best efforts on behalf of Assignee to ensure that Assignor and its employees, consultants, legal representatives, and its successors and/or assigns, will perform any and all lawful acts, including the execution of oaths, assignments, powers of attorney, and any and all other papers, as well as the giving of oral and written testimony, and will do everything possible and practicable which Assignee, its successors, assigns, and/or representatives shall consider necessary or desirable for sustaining, reissuing, or enforcing any Letters Patent in the United States which issue from the Patent, for securing and maintaining proper and complete patent protection for any improvements thereof, and for vesting, perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said Patent and any patents which issue therefrom, and any such subsequent patent applications and/or any such improvements.

Assignor hereby represents, warrants, and hereby covenants to Assignee, its successors, assigns, and/or representatives, that it has full rights to convey the
