SOLE ASSIGNMENT

The ASSIGNOR, John F.W. Fordham,

has invented certain new and useful improvements in **DEVICE AND ASSEMBLY**

an invention which is fully described in an application for Letters Patent of the United States executed by him this day; and

The ASSIGNEE, Geka Manufacturing Ltd., a Corporation organized and existing under the laws of England and Wales having its registered office at 10-12 Russell Square, London, WC1B 5LF, England, wishes to acquire the entire right, title and interest in and to the invention and under Letters Patent which may be obtained for this invention.

For valuable and legally sufficient considerations, receipt of which is hereby acknowledged, the Assignor sells, assigns and transfers to Assignee, its successors and assigns, the entire right, title and interest for the United States in and to the above-identified invention and application and for the full term of any Letters Patent of the United States that may issue for the invention.

The Assignor further agrees, for himself and his legal representatives, he will assist Assignee in the prosecution before the United States Patent Office and the Federal Courts of this application, and other applications for Letters Patent including renewals, continuations, divisions, reissues and substitutions, that the assignee elects to make covering the invention. The Assignee vests in Assignee like exclusive title in and to all such other applications and Letters Patent. The Assignor will execute and deliver to Assignee any documents which may be requested by Assignee to carry out the terms of this Assignment.

The Commissioner of Patents of the United States is authorized and requested to issue letters Patent of the United States to Assignee.
