**ASSIGNMENT OF U.S. PATENTS AND PATENT COOPERATION TREATY
PATENT APPLICATIONS**

WHEREAS, Schein Dental Equipment Co. (hereinafter "Assignor"), a New York Corporation, also known as The Schein Dental Equipment Co. or Schein Dental Equipment Corp., having offices and doing business at 135 Duryea Road, Melville, New York 11747, is the owner of the United States Letters Patent ("Patents") and pending Patent Cooperation Treaty applications ("Applications") listed on Schedule A attached hereto and made a part hereof and the inventions described in said Patents and Applications ("Inventions"); and

WHEREAS, Dental Components, Inc. (hereinafter "Assignee"), an Oregon corporation having offices and doing business at 305 North Springbrook Road, Newberg, OR 97132, desires to acquire the entire right, title and interest in, to and under said Patents, said Applications and the Inventions thereof;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00), to it in hand paid by Assignee, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee all of Assignor's right, title and interest in, to and under said Patents, said Applications and said Inventions, together with all rights and privileges granted and secured thereby, including the right to claim priority of each of the Applications and the right to sue and recover for any past infringement, said right to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made.

Assignor agrees that the said assignee may apply for and receive patents, design registrations, industrial models, industrial designs, petty patents, utility models, copyrights and legal equivalents thereof for said Inventions anywhere in the world in its own name;

Assignor hereby authorizes the Commissioner of Patents and Trademarks or any other proper officer of agency of any country to record this assignment and issue all said Patents and any patents issuing from said Applications and legal equivalents thereof to said assignee;

Assignor agrees to communicate to said assignee or its representatives any facts known to it respecting the Inventions described in said Patents and said Applications; to execute all divisional, continuation, renewal, reissue, foreign applications and PCT national or regional entry applications, sign all lawful documents and make all rightful oaths and declarations relating to said Inventions, Patents and Applications; sign all lawful documents which the assignee shall consider desirable for aiding in securing and maintaining proper protection for said Inventions and for vesting title to said Inventions and to testify in any judicial or administrative proceeding and generally do everything reasonable to aid said assignee or any assignee of said assignee to obtain and enforce said Patents and any patents issuing from said Applications and legal equivalents thereof worldwide when requested so to do by said assignee or any assignee of said assignee.

IN TESTIMONY WHEREOF, Assignor has executed this Assignment by its proper officer thereunto duly authorized.
