

ASSIGNMENT

This Assignment made on Sept 2, 1998, by

Sandra R. Danon, of Los Angeles, California, Margaret Nordgren, of Burbank, California and Michael Nordgren of Burbank, California, Assignors to Stravina, Inc., a California Corporation, having a place of business at 19850 Nordhoff Place, Chatsworth, California 91311, Assignee.

WHEREAS, Assignors have invented a new, original and ornamental design for a CHRISTMAS ORNAMENT, for which an application for United States Letters Patent has been executed by them this day; and

WHEREAS, Assignors believe themselves to be the original, first and joint inventors of the design disclosed and claimed in said application for Letters Patent; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment the entire right, title and interest in and to said design, said application and any Letters Patent that may be granted for said design in the United States and throughout the world;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign and transfer to Assignee, the entire right, title and interest in and to said design, said application and any Letters Patent that may be granted for said design in the United States and throughout the world, including the right to file foreign applications directly in the name of the Assignee and to claim for any

such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise.

Further, Assignors agree that, upon request and without further compensation, but at no expense to Assignors, they and their legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing or enforcing Letters Patent in the United States and throughout the world for said design, and for perfecting, recording or maintaining the title of Assignee, its successors and assigns, to said design, said application and any Letters Patent granted for said design in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said design, whether on said application or on any subsequently filed division, continuation, continuation-in-part or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said design.

IN WITNESS WHEREOF, Assignors have executed this
