**ASSIGNMENT**

WHEREAS, the following inventors: **Michael George STONE** and **Christopher CUDDY** (hereinafter designated as the undersigned) has invented certain new and useful improvements in **FLEXIBLE CONTAINER FOR FLOWABLE MATERIALS** (the "invention") for which application for Letters Patent has been filed on **4 June 1996**, and having an International Application No. **PCT/IE96/00078**; and

WHEREAS, **Storsack Tradco Limited, A.W. Nielson Road, Goole, East Yorkshire DN1 46US, Great Britain, a Great Britain company** (Assignee) its heirs, successors, legal representatives and assigns (hereinafter designated as the Assignee) is desirous of acquiring the entire right, title and interest in and to said invention and to any Letters Patent(s) that may be granted therefor in the United States of America;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to the undersigned in hand paid, the receipt of which is hereby acknowledged, and other good and valuable consideration, the undersigned has sold, assigned and transferred, and by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the said invention in the United States of America and its territories, dependencies and possessions and the entire right, title and interest in and to any and all Letters Patent(s) which may be granted therefor in the United States of America and its territories, dependencies and possessions, and in and to any and all divisions, reissues, continuations and extensions thereof and all applications claiming priority therefrom for the full term or terms for which the same may be granted.

The undersigned also has sold, assigned, and transferred, and do hereby sell, assign and transfer to Assignee, their entire right, title and interest in to the invention, in all countries of the world foreign to the United States, including the right to file applications and obtain patents for the invention in its own name in those countries and including all rights of priority in those countries under the terms of any applicable international convention; to have and to hold for the sole use and benefit of the Assignee, to the full end of the term or terms for which any and all Letters Patent for the invention may issue, to the same extent as the undersigned would hold if this Assignment had not been made.

The undersigned agrees to execute all papers necessary in connection with this application and any continuing, divisional or reissue applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agrees to execute all papers necessary in connection with any interference or litigation which may be declared concerning the application or continuation, division or reissue thereof or Letters Patent(s) or reissue patent issued thereon and to cooperate with the Assignee in every way possible in obtaining and producing evidence and proceeding with such interference or litigation.

**ASSIGNMENT (Continued)**

The undersigned agrees to execute all papers and documents and to perform any act which may be necessary in connection with claims or provisions of the International Convention for the Protection of Industrial Property or similar agreements.

The undersigned agrees to perform all affirmative acts which may be necessary to obtain a grant of a valid United States patent(s) to the Assignee and to vest all rights therein hereby conveyed to said Assignee as fully and entirely as the same would have been held by the undersigned if this Assignment and sale had not been made.

The undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all Letters Patents of the United States of America resulting from said application or any division or divisions or continuing or reissue applications thereof to the said Assignee, as Assignee of the entire interest, and hereby covenants that he or she has the full right to convey the entire interest herein assigned, and that he or she has not executed, and will not execute, any agreement in conflict herewith.

The undersigned hereby grants the law firm of Dike, Bronstein, Roberts & Cushman, LLP of 130 Water Street, Boston, Massachusetts 02109-4280, U.S.A. the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document.

In witness whereof, signed by the undersigned on the date opposite the undersigned name.
