- (2) the 2nd day of January, 1996,
- (3) the 2nd day of January, 1996,

executed an application for Letters Patent of the United States, the date of filing and serial number of said application, when known to be inserted above; and

WHEREAS, AMERICAN CYANAMID COMPANY, a corporation duly organized and existing under the laws of the State of Maine, and having a place of business at Five Giralda Farms, in the County of Morris, and State of New Jersey, hereinafter called ASSIGNEE, is desirous of acquiring the entire right, title and interest in and to said invention, in the United States of America, its territories, dependencies and possessions, and in all foreign countries, and in and to any United States or foreign Letters Patent that may be granted therefor, and in and to such other forms of protection of industrial property as may be granted therefor pursuant to the laws of any country:

NOW, THEREFORE, in consideration of ONE DOLLAR (\$1.00) in hand paid to each of us, and other good and valuable considerations, the receipt of which is hereby acknowledged, we by these presents, have sold, assigned and transferred, and do hereby sell, assign and transfer, to ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in and to the said invention, in the United States of America, its territories, dependencies and possessions, and in all foreign countries, and in and to any Letters Patent of the United States and foreign countries (including all divisions, reissues, continuations and extensions thereof) that may be granted therefor, and in and to such other forms of protection of industrial property as may be granted therefor pursuant to the laws of any country, and the right to apply for Letters Patent and such other forms of protection of industrial property as may be

provided by any country, with full benefit of such priorities as may now or hereafter be granted to us by local laws or by treaty or by international convention, together with the right to extend the protection of said United States Letters Patent to territorial possessions now owned or which may hereafter be acquired by the United States of America, for the full term for which said Letters Patent or said other forms of protection may be granted;

And we covenant and agree with ASSIGNEE that we have a full and unencumbered title to the invention hereby assigned, which title we warrant to ASSIGNEE;

And we further agree that we will, at ASSIGNEE's request, without demanding further consideration therefor but entirely at ASSIGNEE's expense, do all lawful and just acts, including the execution and acknowledgement of instruments, that may be or become necessary for obtaining, sustaining or reissuing United States and foreign Letters Patent or said other forms of protection covering the invention hereby assigned, and for maintaining and perfecting ASSIGNEE's right to said invention, Letters Patent and other forms of protection, particularly in cases of interference and litigation.
