WHEREAS George Izenour, also known as George C. Izenour (hereinafter referred to as "Izenour") made an invention disclosed in U.S. patent application Serial No. 06/909,498, filed September 26, 1986, and two patents have issued on said application, namely patent No. 4,843,529, issued June 27, 1989 and patent No. 4,890,208, issued Dec. 26, 1989, and

WHEREAS Izenour executed an Assignment dated Nov. 14, 1986 pursuant to which he did sell, assign and transfer to Lehigh University, a corporation engaged in business at Bethlehem, Pennsylvania (hereinafter referred to as "Lehigh"), Izenour's entire right, title and interest in said invention, including said patent application and all divisions and continuations thereof (as more fully expressed in said Assignment), and

WHEREAS it is the intention of the parties to this Assignment that the entire right, title and interest in said invention and said patent application and said patents shall revert to Izenour.

NOW THEREFORE, in consideration of the payment by Izenour to Lehigh of One Dollar and other good and valuable consideration, receipt of which is hereby acknowledged, Lehigh does hereby sell, assign and transfer to Izenour the entire right, title and interest in said patent application and said issued patents, including the sole right to recover damages for any infringement of said patents that has or may have occurred heretofore.

Lehigh further covenants that no assignment, sale, agreement or encumbrance has been made or will be made which will conflict with this Assignment.

Lehigh agrees and covenants that, by virtue of this assignment, all of the right, title and interest in said invention and said patent application and patents accruing after the date of this assignment shall inure to Izenour as fully as if, originally, there had been no assignment from Izenour to Lehigh.
