# A S S I G N M E N T

For and in consideration of the sum of Ten Dollars (\$10.00) in hand paid by CorMedica (hereinafter assignee), a corporation duly organized and existing under the laws of the State of Massachusetts, and having an office at 1085 Worcester Road, Natick, Massachusetts 01760-1510, and for other valuable and sufficient consideration, receipt of which is hereby acknowledged, I, the below-named inventor, have sold, assigned, and conveyed and do hereby sell, assign, and convey unto the assignee my entire rights, title, and interest:

(1) in and to an invention entitled MEASURING POSITION AND ORIENTATION USING MAGNETIC FIELDS as described in an application of Letters Patent of the United States, serial no. 08/996,125 filed December 22, 1997;

(2) in and to a U.S. patent application on that invention, in and to all other applications for Letters Patent of the United States (including divisional, continuation, substitute, and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including extension and reissues, if any, to the full end of the term or terms for which said patents may be granted; and

(3) in and to all applications for patents on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted.

I hereby covenant and agree that I will, upon request of assignee, its successors, or assigns, and without further consideration:

- I. execute any and all papers deemed necessary by said assignee, its successor and assigns, to fulfill the intent and purpose of this agreement, and

II. provide the assignee, its successors or assigns, with all pertinent facts and documents relating to said invention or said application and will testify as to the same in any judicial or other proceeding related thereto; it being understood that any expense incident to such activities shall be paid by said assignee, its successors or assigns and not by me.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue the said Letters Patent of the United States, and each of them, to the said assignee, its successors or assigns, as the assignee of my entire right, title, and interest herein.

Signed at the County of Chittenden, State of Vermont, the 24<sup>th</sup> day of April, 1998.
