Re: Correction of PTO Error in Non-Recordation  
of Document Id No. 100757853

Dear Sir:

Enclosed please find the following:

1. Notice of Non-Recordation of Document;
2. Recordation Form Cover Sheet - Patents Only; and
3. Release of Conditional Assignment of and Security Interest in Patent Rights ("Release").

The PTO mistakenly rejected the above-referenced Release by attaching an unrelated patent application number (09/105210), stating that the Release was rejected for recordation because it did not reference 09/105210, and crediting the \$3040 check sent with the Release to the unrelated patent application 09/105210.

At the instruction of Ms. Jacqueline Moore of the Assignment Division, we have removed the 09/105210 stickers from the Recordation Form Cover Sheet. A new recordation cover sheet is not being submitted because there is no information to correct. The original recordation cover sheet is accurate.

By separate letter we requested that Ms. Moore transfer the \$3040 (mistakenly credited by the PTO to 09/105210) to 07/786,463 and the other numbers listed in our assignment cover sheet. Ms. Moore confirmed transfer of the money by facsimile dated today. See attached correspondence.

Re: Document Id No. 100757853

Dear Ms. Moore:

Thank you very much for your assistance this afternoon. As discussed, the PTO has mistakenly rejected the above-referenced document.

As you instructed, we will mail in the assignment with cover sheet after removing the stickers for 09/105210 which were inadvertently attached to our assignment documents.

Please telephone me immediately at 202.261.1044 if you have any questions.

Best regards.

Very truly yours,
