ASSIGNMENT WORLD-WIDE

WHEREAS, David Simser , residing at 18 Deerfield Drive, Apt. 1604, Nepean, Ontario, Canada, has invented certain new and useful improvements in a Bidirectional Conversion Library for which, an application for United States Letters Patent has been filed; and

WHEREAS, Mitel Corporation, a company organized and existing under the laws of the Province of Ontario, having a place of business at 350 Legget Drive, P.O. Box 13089, Kanata, Ontario, Canada, K2K 1X3, is desirous of acquiring the full and exclusive right, title and interest in and to said application inclusive of any and all priority rights derived therefrom and the inventions therein disclosed, and in and to all Letters Patent, both United States and foreign, to be granted for said inventions;

NOW, THEREFORE, for a valuable consideration, the receipt whereof is hereby acknowledged, David Simser hereby sells, assigns, transfers, and sets over unto the said Mitel Corporation, its successors and assigns, the full and exclusive right, title and interest in and to the aforesaid application for United States Letters Patent inclusive of any and all priority rights derived therefrom, and the invention therein disclosed, and in and to all Letters Patent and reissues thereof which may be granted upon said application and in and to all Letters Patent which may be issued upon any substitutes, divisions, or continuations of said application, and in and to any and all Letters Patent which may be granted for said inventions in any foreign country or countries; the same to be held and enjoyed by the said Mitel Corporation for its own use and behoof, and for the use and behoof of its successors and assigns, to the full end of the term or terms for which said Letters Patent and reissues thereof may be granted as fully and entirely as the same would have been held and enjoyed by David Simser had this assignment and sale not been made;

AND David Simser hereby agrees to execute, upon request, any and all further papers which may be necessary or desirable to enable the said , its successors and assigns, to file and

prosecute said application, and any and all substitutes, divisions, or continuations thereof, and any and all reissues of the Letters Patent granted upon said application, or upon any substitutes, divisions, or continuations thereof, and any and all applications for foreign Letters Patent on said invention; and David Simser further agrees to execute any and all further papers which may be necessary or desirable to vest or perfect the title of Mitel Corporation, its successors and assigns, in and to said application and the inventions therein disclosed, and in and to any and all Letters Patent and reissues thereof, both United States and foreign, which may be granted upon said application, and any substitutes, divisions, or continuations thereof, and upon any foreign applications.

AND David Simser hereby authorizes and requests The Commissioner of Patents to issue each and every Letters Patent to be granted upon the aforesaid application for United States Letters Patent, and upon any and all substitutes divisions, and continuations of said application, and each and every reissue of said Letters Patent, to the said Mitel Corporation its successors and assigns, as the assignee of the entire right, title and interest therein, in accordance with this assignment.
