ASSIGNMENT

WHEREAS We, DAVID EDMUND TALBOT GARMAN, a British Subject, of Penrhiw, Llanfihangel Rhydithon, Llandrindod Wells, Powys LD1 5TH, United Kingdom and RICHARD EDMOND FLETCHER, a British Subject, of The Fold, Bircher, Leominster, Herefordshire HR6 0AX, United Kingdom have made a certain new and useful invention or inventions as set forth in a USA Continuation Application entitled **SUPPORT APPARATUS FOR USE ON BEDS** and International Application for United States Patent entitled **SUPPORT APPARATUS FOR USE ON BEDS** filed under the Patent Cooperation Treaty and having Serial No. PCT/GB96/01181 filed May 17th 1996

AND WHEREAS MANGAR INTERNATIONAL LIMITED a British Company, of Presteigne Industrial Estate, Presteigne, Powys LD8 2UF, United Kingdom (hereinafter called the "Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention or inventions and in and to any and all patents or like protection which may be obtained therefor in the United States of America and elsewhere

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration of which receipt is hereby acknowledged, We do hereby declare to have assigned and transferred and do hereby assign, transfer and set over unto the said Assignee, its/his legal representatives, successors, and assigns, our entire right, title and interest in and to said invention or inventions as set forth in the above-mentioned application, and in and to any and all patents or like protection, whether original, divisional, reissued, or extended patents, which may be issued in the United States and elsewhere, for said invention or inventions or for any part thereof in pursuance of the

above-mentioned application or any division or continuation thereof or any application for reissued patent, or in pursuance of any equivalent application, thereby to enable the said Assignee to obtain as sole proprietor or otherwise secure the whole benefit of such patent or patents;

AND, in pursuance of this assignment, We do hereby further agree with the said Assignee that we will not do any act whatsoever conflicting with these presents and that we will at any time upon request, without demanding any further or additional consideration but at the expense of the said Assignee, execute such additional assignments and other documents and do all such additional lawful and reasonable just acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining an original, divisional, reissued, or extended patent or patents in the United States or elsewhere on said invention or inventions or any part thereof, including the execution and acknowledgement of any further instruments and the giving of testimony in any proceedings or transactions that may be or become necessary or desirable for sustaining or reissuing any said United States patent, for enforcing any rights or choses in action accruing as a result of any said application or patent, or for maintaining and perfecting the right of the Assignee to said invention or inventions, in whole and in part, and to any said patent, particularly in cases of interference and litigation, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee;

AND we request the Commissioner of Patents to issue any Letters Patent of the United States which may be issued for said invention or inventions, or for any part thereof, to said Assignee, its/his legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said Patent and the invention covered

thereby.
