ASSIGNMENT

Whereas' I
John L. Freeouf of Katonah
County of Westchester and State of New York

have invented certain improvements in

HIGH PHOTON ENERGY RANGE REFLECTED LIGHT
CHARACTERIZATION OF SOLIDS

and executed a United States patent application therefor on
September 24, 1998.

Whereas, Interface Studies, Inc., a corporation of New York,
having a place of business at 27 East Mountain, Katonah, New
York 10536, desires to acquire the entire right, title and
interest in the said patent application and invention, and to
any United States and foreign patents to be obtained
therefor;

Now therefore, for a valuable consideration, receipt whereof
is hereby acknowledged, I the above named, hereby sell,
assign and transfer to Interface Studies Inc., it's
successors and assigns, the entire right, title and interest
in the said patent application and the said invention therein
disclosed for the United States and foreign countries, and
all rights of priority resulting from the filing of said
United States patent application, and request the
Commissioner of Patents to issue any Letters Patent granted
upon the inventions set forth in said patent application to
Interface Studies, Inc., it's successors and assigns; and I
hereby agree that through Interface Studies, Inc. foreign
letters patent on said invention may be applied for and I
will execute all papers necessary in connection with the
United States and foreign applications when called upon to do
so by Interface Studies, Inc.
