## A S S I G N M E N T

In consideration of One Dollar (\$1.00) each and other good and valuable consideration in hand paid, the receipt and sufficiency whereof are hereby acknowledged, we, James D. Bennett, resident of Austin, in the County of Travis, and the State of Texas, and Lawrence M. Jarvis, resident of Wheaton, in the County of DuPage, and the state of Illinois, have agreed under contract to assign and hereby confirm assignment to Engate Incorporated, a corporation of the State of Illinois having an office at 1302 East Forest Avenue, Wheaton, Illinois (assignee), its successors and assigns, our entire right, title and interest in the invention or improvements disclosed in the Letters Patent and applications for Letters Patent of the United States identified as:

<u>U.S. Serial No.</u>	<u>Date Filed</u>	<u>Attorney Docket No.</u>
08/065,163	05/20/93	P93-00-A
08/065,132	05/20/93	P93-00-B
08/066,948	05/24/93	P93-00-C
08/073,809	06/07/93	P93-00-D

and in any and all Letters Patent of the United States and foreign countries which may be obtained on said applications, including any and all divisions, continuations, continuations-in-part and substitutes thereof, and in any reissue, reexamination or extension of such patents, and further assign to said assignee the priority right provided by the International Convention.

We hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.

We warrant ourselves to be the owners of the entire right, title and interest in said invention or improvements and to have the right to make this assignment, and further warrant that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said consideration we hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue, reexamination or extension of any Letters Patent that may be granted upon said application, and any and all applications and other document for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said considerations we authorize said assignee to apply for patents for said invention or improvements in its own name in such countries where such procedure is proper and further agree, upon the request of said assignee, its successors and assigns, to cooperate to the best of our ability with said assignee, its successors and assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain said Letters Patent, both United States and foreign, and vest all rights therein hereby conveyed in the assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by us if this assignment had not been made.
