ASSIGNMENT

Reverse Transport Licensing & Consulting, Inc. of 425 Wister Road, Wynnwood, PA 19096, (hereinafter referred to as "Assignor"), for and in consideration of the sum of One Dollar (\$1.00) paid by Talaria Therapeutics, Inc., (hereinafter referred to as "Assignee"), a Delaware corporation having its principal place of business at 1 Tower Bridge, Suite 1350, 100 Front Street, West Conshohocken, PA 19428, and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, does hereby sell, assign and convey, unto Assignee, its successors and assigns, the entire right, title and interest -

(1) in and to an invention entitled "Method Of Forcing The Reverse Transport Of Cholesterol From A Body Part To The Liver While Avoiding Harmful Disruptions Of Hepatic Cholesterol Homeostasis And Pharmaceutical Compositions And Kit Related Thereto", United States patent application Serial No. 09/060,642, filed April 15, 1998;

(2) in and to said United States patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of the Assignee with a claim to priority based on said United States application.

Assignor hereby agrees that it will, upon demand of Assignee, its successors or assigns, and without further consideration to Assignor, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by Assignor.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue the said United States patent or patents to Assignee.

Executed this 27th day of September, 19 98

at Wyandwood, PA USA.
