ASSIGNMENT

(In the case of a single inventor the plural pronoun is meant to be singular. Reference to "inventions" and "discoveries" is meant also to apply to ornamental and industrial designs)

We, the below-named inventors for valuable consideration paid to us by _____
Linvatec Corporation a Florida corporation, having an office at 11311
Concept Boulevard, Largo, Florida 33773 (hereinafter referred to as "assignee"),
receipt whereof is hereby acknowledged, do hereby assign to assignee the entire right, title and
interest in the United States of America, its territories and possessions and designs in Canada in
and to any and all of our inventions and discoveries in CANNULATED TISSUE ANCHOR
SYSTEM, as described
and claimed in our application for Letters Patent of the United States of America, executed by us
on SEPTEMBER 3, 8, 10 & 12, 1998 in and to any and all patents that issued on the aforesaid
patent application, and in and to any continuations, reissues and renewals thereof, the same to be
held and enjoyed by the assignee, its successors, assigns or other legal representatives, to the full
ends of the terms for which all patents therefor may be granted, as fully and entirely as the same
would have been held and enjoyed by us if this assignment had not been made.

And we hereby agree that we will at any time, upon the request and at the expense of the
assignee, execute and deliver any and all documents that may be necessary or desirable to divide,
continue, perfect, confirm, import or register and to reissue the title to the foregoing inventions
and discoveries, patent or design applications, and patents and reissues and renewals thereof in
the assignee, its successors, assigns or other legal representatives, and we will make all rightful
oaths and do all lawful acts requisite for procuring the same or for aiding therein, without further
compensation, but at the expense of the assignee, its successors, assigns or other legal
representatives.

We hereby further assign on the same terms, obligations, and conditions as aforesaid all
of our right, title and interest in all countries other than the United States of America and designs
in Canada including the right of priority under the International Convention for the Protection of
Industrial Property and under any other international arrangement to which the United States of
America is now or hereafter becomes a signatory, in and to the aforesaid inventions and
discoveries to Linvatec Corporation, a Florida Corporation, having offices at 11311 Concept
Boulevard, Largo, Florida 33773.

We also hereby assign in all countries of the world any and all of our right, title and interest in and to any and all copyright property appertaining any drawings or other materials relating to the tangible means of expression and illustration of the said inventions and discoveries.
