ASSIGNMENT

WHEREAS, I, WILLIAM L. STENHOUSE, a citizen of the United States residing at 106 WILLENHALL LANE, GREENVILLE, SOUTH CAROLINA 29611 (hereinafter referenced as ASSIGNOR), have invented a certain new and useful invention entitled IMPROVED REED ASSEMBLY, for which an application for Letters Patent of the United States is being concurrently filed in the United States Patent and Trademark Office;

AND WHEREAS, STEEL HEDDLE MANUFACTURING COMPANY, having its principal office and place of business at 1801 RUTHERFORD ROAD, GREENVILLE, SOUTH CAROLINA 29602, (hereinafter ASSIGNEE) is desirous of acquiring an interest therein;

NOW THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the said ASSIGNOR, by these presents do sell, assign and transfer unto the said ASSIGNEE, its successors, assigns and legal representatives, the full and exclusive right, title and interest to the said invention and in and to said application and all patents which may be granted therefor, and all divisionals, reissues, continuations, continuations-in-part, and extensions thereof, in the United States and all foreign countries, together with the right of priority under the International Convention for the Protection of Industrial Property, Inter-American Convention Relating to Patents, Designs and Industrial Models, and any other international agreements to which the United States of America adheres, and I hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the said ASSIGNEE, for its interest as ASSIGNEE, its successors, assigns and legal representatives.

And I hereby agree, at the expense of ASSIGNEE, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue, and substitute applications, make lawful oaths and declarations, and generally do everything possible to vest title in ASSIGNEE and to aid ASSIGNEE to obtain and enforce proper protection for said invention in all countries.

And I hereby agree to transfer a like interest, upon the request of said ASSIGNEE, its successors, assigns and legal representatives, and without further remuneration, in and to any improvements, and applications for patent based thereon, growing out of or related to the said invention; and to execute any papers by the said ASSIGNEE, its successors, assigns and legal representatives, deemed essential to ASSIGNEE's full protection and title in and to the invention hereby transferred.
