In Re PATENT APPLICATION of

Inventor: Cornett, Sr. et. al.

Docket: CHU

Title: Structural Tie-Down Apparatus

ASSIGNMENT OF APPLICATION

In consideration of One Dollar (\$1) and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged I do hereby sell, transfer, and assign unto Hurri-Bolt, Inc. (hereinafter referred to as Assignee), a corporation organized and existing under the laws of the State of Florida, and having a principal place of business at 2716 North 46th Street, Tampa FL 33675, its successors, assigns and legal representatives, the entire right, title and interest for the United States and its territories and all foreign countries, in and to all inventions set forth in an application for United States Letters Patent entitled "Structural Tie-Down Apparatus", executed on even date herewith, and in and to said application and all the right, title and interest in, to and under, any and all United States and foreign Letters Patent that may be granted for said invention or inventions and all divisions, continuations, continuations-in-part, substitutions, renewals, reissues and extensions thereof, and the applications therefor, and the right to claim the priority of this application in any and all foreign countries where applications for patent to said invention or inventions may be filed; and I hereby agree to execute such other lawful documents and perform such other lawful acts as are requested for securing to said assignee, its successors, assigns and legal representatives, all of the rights to said invention or inventions.

I further agree that Hurri-Bolt, Inc., its successors, assigns or legal representatives, may apply for and receive Letters Patent for said invention or inventions in its own name in the United States, its territorial possessions and all foreign countries, and that when requested to carry out in good faith the intent and purpose of this Assignment, at the expense of Assignee, its successors, assigns and legal representatives, I will execute all divisions, continuations, continuations-in-part, substitutions, renewals, reissues and extensions thereof, execute all rightful oaths, assignments, powers of attorney, declarations of citizenship and other papers, testify in any legal or quasi-legal proceedings, communicate to said Assignee, its successors, assigns and legal representatives all facts known to me relating to said invention or inventions and the history thereof, and generally do everything possible which said Assignee, its successors, assigns and legal representatives shall consider desirable for aiding and securing, maintaining and for enforcing proper patent protection for said invention or inventions and for vesting title to said invention or inventions in all applications for patents on said invention or inventions in said Assignee, its successors, assigns and legal representatives.

I further covenant with Hurri-Bolt, Inc., its successors, assigns and legal representatives that I have not assigned, granted, mortgaged, or licensed the rights and properties herein conveyed to any other party, nor have I made any other agreement affecting the rights and properties herein conveyed with any other party, and that I possess the full right to convey the same as herein expressed.

I hereby authorize and request the Commissioner of Patents and Trademarks to issue all Letters Patent arising from the aforesaid invention to said assignee, its successors, assigns and legal

representatives pursuant to the terms of this assignment.

In witness whereof I have hereunto set my signature on this 5th day of October, 1998.
