## ASSIGNMENT

WHEREAS, we, Raad A. Dawood of Milwaukee, Wisconsin; Donald C. Whittenburg of Nashotah, Wisconsin; and Raymond P. Rubocki of New Berlin, Wisconsin, have made certain inventions which are described in an application for Letters Patent of the United States entitled A BATTERY PLATE STACKER INCLUDING A WIRE FLATTENER MODULE AND A METHOD OF OPERATION THEREFOR filed July 1, 1998 as U.S. Serial No. 09/108,739 preparatory to obtaining United States Letters Patent therefor; and

WHEREAS, Johnson Controls Technology Company (hereinafter referred to as Company), a Michigan corporation having a place of business at Plymouth, Michigan, is desirous of acquiring the entire interest in said inventions worldwide (herein "worldwide" includes throughout the United States of America and its territories, throughout all other countries and under all international agreements);

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we state and undertake the following:

We hereby sell, assign and transfer unto said Company the entire right, title and interest worldwide in and to said inventions, the aforesaid application, all other applications hereafter filed based in whole or in part on said inventions and all Letters Patent granted upon said applications, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Company. We further grant to said Company the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries or between any other countries.

We hereby warrant that we have the full right to make the conveyance herein. We hereby covenant that upon request we will communicate to said Company and its representatives all facts known respecting said inventions; execute all divisional, continuing, reissue, reexamination and foreign or international applications, together with individual assignments therefor; make all rightful oaths; sign all lawful papers; testify in any legal proceeding and generally do everything possible to aid said Company to obtain Letters Patent.

This Assignment and our promises herein also obligate our heirs, legal representative and assigns, and they are for the benefit of said Company and its successors and assigns.

IN TESTIMONY WHEREOF, we have hereunto set our hands and seals at the location and on the date indicated with our signatures.
