## ASSIGNMENT

The ASSIGNOR, Stefan Broinowski, has invented certain new and useful improvements in a Marine Jet Propulsion Unit and Marine Tunnel Propeller Jet Propulsion Drive, inventions which are fully described in U.S. Patent No. 5,123,867 granted June 23, 1992, and in an application for Letters Patent of the United States, U.S. Ser. No. 08/290,992 based on International Application PCT/AU92/00085 filed February 27, 1992, respectively.

The ASSIGNEE, ADVANCED MARINE TECHNOLOGIES, INC., is a Connecticut corporation in the United States of America whose principal office and mailing address is at 132 Water Street, South Norwalk, Connecticut 06854, wishes to acquire the entire right, title and interest in and to the inventions and under Letters Patent which have been or may be obtained for these inventions.

For valuable and legally sufficient considerations, receipt of which are hereby acknowledged, the Assignor sells, assigns and transfers to Assignee, its successors and assigns, the entire right, title and interest for the United States in and to the above-identified inventions, patent and application and for the full term of any Letters Patent of the United States that may issue for the invention.

The Assignor also sells, assigns and transfers to Assignee the entire right, title and interest in and to the inventions and applications for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including all rights under the International Convention. The Assignor further authorizes Assignee to apply for Letters Patent in foreign countries in the name of Assignee, and to claim the priority of the filing date of the United States Application and International Application PCT/AU92/00085 under the provisions of the International Convention, including but not limited to the following:

<u>Country/Patent Office</u>	<u>Application No.</u>
Australia	13381/92
Canada	2,131,008
European Patent Office	92906237.0
Japan	HEI 4-505885
Korea	702983/94

The Assignor further agrees, for himself and his legal representatives, he will assist Assignee, at Assignee's expense, in the prosecution of these applications before any patent office and any court, and any other applications for Letters Patent including renewals, continuations, divisions, reissues and substitutions, that the Assignee elects to make covering the invention, and any Letters Patent issued thereon. The Assignor vests in Assignee like exclusive title in and to all such other applications and Letters Patent. The Assignor will execute and deliver to Assignee any documents which may be requested by Assignee to carry out the terms of this Assignment.

The Commissioner of Patents of the United States is authorized and requested to issue Letters Patent of the United States to Assignee. The Assignor also authorizes and requests the equivalent authorities in foreign countries to issue the patents of foreign countries to Assignee.
