ASSIGNMENT OF PATENT APPLICATION

Whereas, I, Allen R. McKay, of 2710 33rd Street, SW, Fargo, North Dakota, 58103, have invented certain new and useful improvements in a **FUEL TREATMENT APPARATUS** for which an application for United States Letters Patent was filed on **August 24, 1998**, application serial number **09/138,800**;

Whereas, WEBB Enterprises, a North Dakota corporation, having a mailing address of 320 8th Street West, West Fargo, North Dakota 58078, is desirous of acquiring the entire right, title and interest in the same;

Now, therefore, in consideration of the sum of one dollar and no cents (\$1.00), the receipt thereof is hereby acknowledged, and other good and valuable consideration, I, the said Allen R. McKay by these presents do sell, assign and transfer unto said WEBB Enterprises the exclusive right to the said invention in the United States and the entire right, title and interest in and to any and all Letters Patent which may be granted in the United States and the world.

I hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said WEBB Enterprises as the assignee of the entire right, title and interest in and to the same, for its sole use and behoof; and for the use and behoof of its legal representatives, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.
