SIEMENS MEDICAL SYSTEMS, INC., a corporation of the State of Delaware, having a principal place of business at 186 Wood Avenue South, Iselin, New Jersey 08830, hereafter termed "SIEMENS", desires to acquire the entire right, title and interest in and to the Invention,

Attorney Docket No. 98P7885US

THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged:

1. INVENTORS hereby sell, assign and transfer to SIEMENS, and its successors, assigns and legal representatives, his/their entire right, title and interest in and to the Invention and the Application, and all divisional, continuing, substitute, renewal, reissue, and other applications for patents which have been or may be filed in the United States, and further all applications for patents or inventor's certificates in foreign countries based on the Invention;

2. INVENTORS agree that the foregoing rights conveyed to SIEMENS include all priority rights arising from the filing of the Application, the right to own in its own name the Application and all United States patents, foreign patents and inventor's certificates, and other applications for patents or inventor's certificates, based on the Invention, and further the sole right to file applications for foreign patents and inventor's certificates and related United States patent applications based on the Invention;

3. INVENTORS agree to execute all documents requested by SIEMENS and its successors, assigns and legal representatives regarding the filing and prosecution of all applications for patents and inventor's certificates, enforcement of all patents, and maintenance of all rights in the Invention, patents, inventor's certificates and applications for patents or inventor's certificates based on the Invention;

4. Upon the request of SIEMENS and its successors, assigns and legal representatives, and at their expense, regarding the filing and prosecution of all applications for patents and inventor's certificates, enforcement of all patents, and maintenance of all rights in the Invention, patents, inventor's certificates and applications for patents or inventor's certificates based on the Invention, INVENTORS agree to provide to SIEMENS and its successors, assigns and legal representatives all information known to or ascertainable by INVENTORS and all documents and other materials and objects pertaining to SIEMENS' rights in the Invention that are in the possession of or accessible to INVENTORS; and further, at any trial, hearing, deposition or other legal proceeding where INVENTORS are called as witnesses by SIEMENS or its successors, assigns and legal representatives, INVENTORS agree to testify to all facts pertaining to SIEMENS' rights in the Invention for which INVENTORS are competent to testify;

5.
