which are described in the specification in an application, executed by us on the 11th day of September, 1998 (and we hereby authorized our attorneys, authorized to prosecute the application, to here insert the filing date and serial number of the application, as soon as it is known, Serial No.

09/142,799 filed September 11, 1998) and all the rights and privileges under any and all U.S. Letters Patent that may be granted therefor.

We request that any and all U.S. patents for the inventions be issued to the assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

We agree that, when requested, we will, without charge to the assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining U.S. patents for the inventions and for vesting title thereto in the assignee, its successors, assigns and legal representatives or nominees.

We covenant with the assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any incumbrance, and that we have full right to convey the same as herein expressed.
