ASSIGNMENT OF INVENTION

WHEREAS, John T. SUTTON, herein Assignor, has invented a certain new and useful invention (herein Invention) in DEVICE & METHOD USED IN WASHING A BRASSIERE, said Invention is described in (a) the United States Patent Application entitled DEVICE & METHOD USED IN WASHING A BRASSIERE, (Attorney Docket No. 8969.2,) executed on the same day as this Assignment of Invention; and (b) the United States Patent Application entitled DEVICE & METHOD USED IN WASHING A BRASSIERE, U. S. Serial No. 08/859,537 filed May 20, 1998.

AND WHEREAS, SUTTON INTERNATIONAL, LLC, a Limited Liability Company, herein Assignee, whose address is 24921 Dana Point Harbor Drive, Suite B200, Dana Point, CA 92629, desires acquiring the entire right, title and interest in, to and under the said Invention and any patent and patent application thereon, including but not limited to the above-identified patent applications;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) in hand paid, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the said Assignor, has sold, assigned, transferred, set over, and by these presents do sell, assign, transfer and set over, unto the said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the said Invention, and all rights in any country to any patent and patent application thereon, including priority rights thereto pursuant to the International Convention for the Protection of Industrial Property, and to all divisions, renewals, and continuations and the like of any patent application thereon, and all extensions, renewals and reissues and the like of any patent thereon, including but not limited to the above-identified patent applications; and hereby authorizes and requests the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents, to issue the patents on the aforesaid applications to the said Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND THE ASSIGNOR HEREBY warrants that he or she has the full right to convey the interest herein assigned, and that he or she has not executed, and will not execute, any agreement in conflict herewith, and that the rights and benefits assigned hereunder are free and clear of any lien, encumbrance, adverse claim or interest, and that he or she has not licensed anyone under the Invention or said patent applications, including but not limited to the above-identified patent applications.

AND THE ASSIGNOR HEREBY further agrees to communicate to the said Assignee, its successors, legal representatives and assigns, any facts known respecting said Invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications and the like, make all rightful oaths or declarations, and generally do

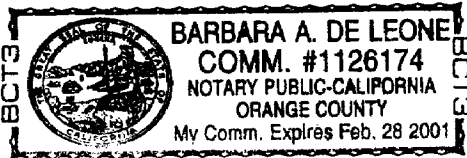

everything reasonable to aid the said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said Invention in all countries.

IN TESTIMONY WHEREOF, the Assignor hereunto set his or her hand and seal this 16 day of SEPT, 1998.

BY John T. Sutton
