WHEREAS, BORDEN CHEMICAL, INC., a corporation duly organized under the laws of the State of DELAWARE having a principal place of business at 180 East Broad Street, Columbus, Ohio 43215, is desirous of acquiring the entire right, title and interest in and to the aforesaid application in which the invention is disclosed, described and claimed, in and to the above-identified invention for the United States of America and all countries foreign thereto and in and to any and all Letters Patent to be issued for said invention in the United States of America and all countries foreign thereto, including any and all reissue and reissues, extension or extensions, or division or divisions of such Letters Patent;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, by these presents, do hereby bargain, sell, assign, transfer and set over unto BORDEN CHEMICAL, INC., its successors, assigns or other legal representatives, the entire right, title and interest in and to the aforesaid application in which the invention is disclosed, described and claimed, in and to the above-identified invention for the United States of America and all countries foreign thereto; and all reissue or reissues, continuation or continuations, or continuation-in-part or continuations-in-part, extension or extensions, or division or divisions of any such Letters Patent; the same to be held and enjoyed by BORDEN CHEMICAL, INC., for its own use and on behalf of its successors, assigns, or other legal representatives, to the full end of the term or terms for which said Letters Patent may be granted, reissued, or extended as fully and entirely as the same would have been held and enjoyed by me, if this assignment and sale had not been made.
