A S S I G N M E N T

For Ten Dollars and other valuable consideration, receipt of which is hereby acknowledged, the undersigned hereby:

Sell, assign and transfer to Tomah Products, Inc. ("Assignee"), a Wisconsin corporation having its principal office at 1015 Terra Drive, Milton, WI 53563, its successors, assigns and legal representatives, the entire right, title and interest in and to the inventions disclosed in the patent application entitled **LOW-FOAMING AMINE OXIDE SURFACTANT CONCENTRATE AND METHOD OF MANUFACTURE**, the declaration for which was executed by the undersigned on October 15, 1998, including such application, all divisional, continuing, substitute, renewal and reissue applications, all other United States and foreign patent applications based in whole or in part on any of such applications, and all United States and foreign patents which issue (or have issued) on any of such applications;

Agree that Assignee may apply for and receive such patents in its own name or in the names of the undersigned;

Agree, as requested by Assignee, its successors, assigns or representatives, without expense to the undersigned or charge to anyone: to execute all such patent applications and all rightful documents in connection therewith; to communicate to said Assignee, its successors, assigns and legal representatives; and to carry out the intent of this Assignment by doing everything possible which Assignee, its successors, assigns or legal representatives may consider desirable to aid in securing and maintaining proper patent protection for such inventions and for vesting in Assignee, its successors, assigns or legal representatives title to such inventions and to all such patent applications and patents; and

Covenant with Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that the undersigned possess full right to convey the same as here expressed.
