A S S I G N M E N T:

Whereas I, Sylvester Rosanwo, hereinafter called the assignor, a citizen of Germany, have invented a certain improvement for which application for Design Letters Patent of the United States of America was made in the US Patent & Trademark Office under Serial No. 29/092,570 filed on August 20, 1998 entitled BIT HOLDER, and whereas Wera Werk Hermann Werner GmbH & Co., hereinafter called the assignee, a firm organized under the laws of Germany, having an address, Korzarter Str. 21, D-42349 Wuppertal, Germany, is desirous of acquiring an interest therein:

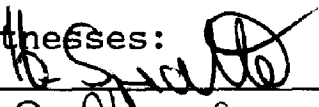

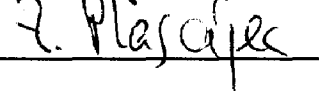

Now, therefore, in consideration of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, by these presents, the assignor, does sell, assign and transfer unto the said assignee the entire right, title and interest, for the territory of the United States of America, in and to said invention as described in the specification and claim

of said design patent application; said invention, application and Design Letters Patent, including any continuations, divisions, reexaminations, or reissues thereof, to be held and enjoyed by the said assignee for his own use and behoof, and for his legal representatives, to the full end of the term for which Design Letters Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made. Further in consideration of the above, I agree to do whatever is necessary to aid in the securing or preservation of protection on this invention, application(s), and patent(s).
