ASSIGNMENT

Attorneys' File No. 1339.023

Whereas I, Osamu Yaguchi

residing at 1-12, Kasuga 1-chome, Kashiwazaki-shi, Niigata-ken, Japan

have made certain inventions or discoveries (or both) and have made an application for Letters Patent of the United States of America entitled

PYRO-SENSOR

which application was executed by me
and is identified by
Messrs. Parmelee, Bollinger & Bramblett's file number

and whereas KABUSHIKI KAISHA RIKEN

of 13-5, Kudankita 1-chome, Chiyoda-ku, Tokyo, Japan

together with its successors and assigns (hereinafter called "Assignee"), is desirous of acquiring the title, rights, benefits and privileges hereinafter recited, and of confirming the same or any part thereof heretofore acquired by Assignee:

Now, therefore, for valuable consideration furnished by Assignee to me, receipt and sufficiency of which I hereby acknowledge, I hereby, without reservation:

1. Assign and convey to and confirm in Assignee the entire right, title and interest in and to said inventions and discoveries in the United States of America, including said application for Letters Patent of the United States of America, all divisional, renewal, substitute and continuation applications based in whole or in part upon said inventions or discoveries in said application, and any and all Letters Patent and reissues and extensions of Letters Patent granted in the United States of America for said inventions and discoveries in said application;

2. Authorize and request the Commissioner of Patents and Trademarks of the United States of America to issue or transfer said Letters Patent to Assignee, as assignee of the entire right, title and interest therein or otherwise as Assignee may direct;

3. Warrant that I have not knowingly conveyed to others any right in said inventions or discoveries in the United States of America, or any rights in said application or patent or any license to use the same or to make, use or sell anything in the United States of America embodying or utilizing any of said inventions or discoveries; and that I have good right to assign the same to Assignee without encumbrance; and

4. Bind my heirs and legal representatives, as well as myself, to do, upon Assignee's request and at its expense, but without additional consideration to me or them, all acts reasonably serving to assure that the said inventions and discoveries, the said patent application and the said Letters Patent shall be held and enjoyed by Assignee, in the United States of America, as fully and entirely as the same could have been held and enjoyed by me or my heirs or representatives, if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and

lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to me relating to said inventions and discoveries or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples and other physical exhibits in my control or in the control of my heirs or legal representatives which may be useful for establishing the facts of my conceptions, disclosures, and reduction to practice of said inventions and discoveries.
