**ASSIGNMENT**

WE, EDWARD R. REYHER and RANDY E. REYHER, both of Winnipeg, Manitoba, Canada, in consideration of Ten Dollars (\$10.00) and other good and valuable considerations to us in hand paid, the receipt and sufficiency whereof are hereby acknowledged, have sold, assigned, conveyed and set over, and do hereby sell, assign, convey and set over unto R-CO INC., a corporation of the Province of Manitoba, Canada, having a place of business at 3 Winfield Way, Winnipeg, Manitoba, its successors and assigns, the entire right, title and interest in and to all subject matter invented or designed by us and disclosed in U.S. Patent 5,288,193 for a Quarter Turn Bale Lift Arm for Round Bale Movers, issued on February 22, 1994, and any divisions and continuations thereof and in and to all Letters Patent of the United States including any reissues, reexaminations and extensions thereof that may be obtained therefor, and including all rights transferred to us, individually or jointly, from co-inventor John R. Warburton by an assignment dated November 29, 1996, as well as the right, if assignable, to sue for and collect damages for past infringement, and the right, where such right can be legally exercised, in its own name to apply for and obtain Letters Patent, Inventor's Certificates, Utility Models and Designs, in countries foreign to the United States, including the full right to claim for any such application the benefits of the International Union for Protection of Intellectual Property (Paris Convention), the World Trade Organization and any similar agreements as fully and entirely as we could have done if the application had been in our names, and the entire interest in any Letters Patent, Inventor's Certificate, Utility Model or Design which may be granted on any such application in such foreign country, and we hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of

any country or countries foreign to the United States whose duty it is to issue Letters Patent, Inventor's Certificates, Utility Models or Designs, on applications as aforesaid, to issue any and all Letters Patent, Inventor's Certificates, Utility Models and Designs that may be granted for said invention to said R-CO INC., its successors and assigns.

And for the above-named considerations, we hereby agree that we will, without additional compensation but without cost to us, promptly communicate to said R-CO INC., its successors and assigns, any facts known to us respecting said invention whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications for Letters Patent, Inventor's Certificates, Utility Models and Designs and assignments thereof, make all rightful oaths and generally do everything possible to aid our said assignee, its successors and assigns, as and when requested by them, in obtaining and enforcing proper patent, inventor's certificate, utility model and design protection for said invention or inventions and improvements, in the United States and in all other countries.
