PATENT

No.: 42390.P4661 (For Execution After Filing Patent Application)

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, We
the undersigned, James T. Hurley and Fedor A. Pletenev

hereby sell, assign, and transfer to Intel Corporation
a corporation of Delaware, having a principal place of business at
2200 Mission College Blvd, Santa Clara, California 95052, ("Assignee"),
and its successors, assigns, and legal representatives, the entire right, title, and
interest for the United States and all foreign countries, in and to any and all
improvements that are disclosed in the application for the United States patent that
was filed July 17, 1998 and assigned Application No. 09/118,945 and is entitled
EXTENSION OF FAST PHONG SHADING TECHNIQUE FOR BUMP MAPPING

and in and to said application and all divisional, continuing, substitute, renewal,
reissue, and all other patent applications that have been or shall be filed in the
United States and all foreign countries on any of said improvements; and in and to all
original and reissued patents that have been or shall be issued in the United States
and all foreign countries on said improvements; and in and to all rights of priority
resulting from the filing of said United States application;

agree that said Assignee may apply for and receive a patent or patents for said
improvements in its own name; and that, when requested, without charge to, but at the
expense of, said Assignee, its successors, assigns, and legal representatives, to carry
out in good faith the intent and purpose of this Assignment, the undersigned will
execute all divisional, continuing, substitute, renewal, reissue, and all other patent
applications on any and all said improvements; execute all rightful oaths,
assignments, powers of attorney, and other papers; communicate to said Assignee, its
successors, assigns, and representatives all facts known to the undersigned relating
to said improvements and the history thereof; and generally assist said Assignee, its
successors, assigns, or representatives in securing and maintaining proper patent
protection for said improvements and for vesting title to said improvements, and all
applications for patents and all patents on said improvements, in said Assignee, its
successors, assigns, and legal representatives; and

covenant with said Assignee, its successors, assigns, and legal representatives
that no assignment, grant, mortgage, license, or other agreement affecting the rights
and property herein conveyed has been made to others by the undersigned, and that
full right to convey the same as herein expressed is possessed by the undersigned.
