WHEREAS, I, ROBERT CAWLEY, am an officer of PROFESSIONAL GLASS TOOLS, INC.; and,

WHEREAS, PROFESSIONAL GLASS TOOLS, INC. is a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, and having an office and place of business at Saucon Valley Road at Route 309, Center Valley, Pennsylvania 18034, is desirous of acquiring the entire right, title and interest in and to the invention and applications and all improvements thereon which may be made, conceived or acquired by me during the course of my association with PROFESSIONAL GLASS TOOLS, INC., and for one year thereafter, in and throughout the United States, its territories and all countries foreign thereto, and in and to said Applications for Letters Patent and in and to any and all Letters Patent of the United States and all countries foreign thereto which

have been granted or may be granted on said invention or any part thereof, or any improvements thereon.

NOW, THEREFORE, IN CONSIDERATION of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, ROBERT CAWLEY, by these presents do sell, assign and transfer unto the said PROFESSIONAL GLASS TOOLS, INC., my entire right, title and interest in and throughout the United States, its territories and all countries foreign thereto in and to said invention and any improvements thereon which may be made, conceived or acquired by me during the course of my association with the said PROFESSIONAL GLASS TOOLS, INC., and for one year thereafter, in and to said Applications for Letters Patent and any and all Letters Patent and extensions thereof of the United States and countries foreign thereto which have been or may be granted on said invention or any part thereof, or any improvements thereon or on said application, or any divisional, continuing, renewal, reissue, or other application and all international priority rights associated therewith, based in whole or in part thereon, or based upon said invention, or any improvements thereon;

TO BE HELD AND ENJOYED by the said PROFESSIONAL GLASS TOOLS, INC. and its legal representatives and assigns to the full ends of the terms for which said Letters Patent, or any of them, have been granted as fully and entirely as the same would have been held and enjoyed by me had no sale and assignment of said interest been made; and I do hereby authorize and request the Commissioner

of Patents and Trademarks to issue any and all Letters Patent which have been granted or may be granted upon the said invention above referred to, or any of them, or upon said invention or any part thereof, or upon any improvements thereon which may be made, conceived or acquired by me during the course of my association with the said corporation and for one year thereafter, to said PROFESSIONAL GLASS TOOLS, INC., and I hereby agree for myself, my heirs, executors and administrators, to execute without further consideration, any further legal documents and any further assignments and any releases, reissues, renewals or other applications for Letters Patent that may be deemed necessary by the Assignee herein named, fully to secure to the said Assignee its interest as aforesaid in and to said invention or any part thereof or any improvements thereon, and in and to said several Letters Patent, or any of them.

I do hereby covenant for myself and my legal representatives, and agree with PROFESSIONAL GLASS TOOLS, INC., and its legal representatives, that I have granted no license to make or sell the said invention, that prior to the execution of this deed my right, title and interest in the said invention have not been encumbered, that I then had good right and title in and to the invention and that I have not executed and will not execute any instrument in conflict therewith.
