A S S I G N M E N T

I, David O. Martin, a citizen of the United States of America, having a postal address and a place of residence at 2790 Lancaster Drive, Salt Lake City, Utah 84108, have invented a method and apparatus entitled "SHIELD APPARATUS AND SUPPORT TRACK AND METHOD FOR A SUPPORT ROLLER OF A SECTIONAL DOOR" hereinafter called the "invention."

Preferred embodiments of said invention are disclosed in a United States patent application filed 11 September 1998, Serial Number 09/152,235 and identified as File No. 407 of J. Winslow Young (U.S. Patent Office Registration No. 25948).

The Assignee, Martin Door Manufacturing, Inc., a corporation of the State of Utah, having a principal place of business at 2828 South 900 West, Salt Lake City, Utah 84119, desires to secure the entire right, title and interest in said invention.

In consideration of \$1.00 and other good and valuable consideration paid to me by the Assignee, the receipt and sufficiency of which I hereby acknowledge, I HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in said invention, in the above-identified United States patent application and in all divisions, continuations, and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents

issuing thereon in the United States and foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behoof of the said Assignee, its successors, assigns and legal representatives.

I hereby agree, without further consideration and without expense to me, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of me to make this Assignment fully effective, including by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of my ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This Assignment and agreement shall be binding upon my heirs and legal representatives.

David O. Martin

STATE OF UTAH)
