# **ASSIGNMENT AND AGREEMENT IN AN APPLICATION FOR LETTERS PATENT OF THE UNITED STATES OF AMERICA**

I hereby declare that I am the sole inventor of the inventions relating to TREELength PROCESSOR described in an application for Letters Patent of the United States of America filed on even date herewith.

For valuable consideration received, I hereby sell, assign and transfer to Union Camp Corporation, a corporation duly organized and existing under the laws of the Commonwealth of Virginia, having a principal place of business at 1600 Valley Road, Wayne, New Jersey 07470, its successors, and assigns, our entire right, title and interest, for all countries in and to said inventions, and all the rights and privileges under any and all Letters Patents that may be granted therefor, and any divisions, continuations, reissues and extensions thereof.

I agree that, when requested, I will, without charge to said corporation but at its expense, sign all papers, take all rightful oaths, make all rightful declarations, which may be necessary, desirable, or convenient for securing and maintaining patents or other forms of protection for said inventions in any and all countries and for vesting title thereto in said corporation, its successors, assigns, or nominees.

I agree that I will communicate to said corporation or its representatives any facts known to me respecting said inventions, and when requested by said corporation, and at its expense, will testify in any legal proceedings, and generally do everything possible to aid said corporation, its successors, assigns, and legal representatives or nominees, to obtain or enforce proper protection for said inventions in any and all countries.

I authorize and empower said corporation, its successors, assigns or nominees, to make application for patent or other form of protection for said inventions in its or their own name, or in any name, in any and all countries and to invoke and claim for, application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document, which may be required in any country for any purpose and, more particularly, in proof of the right of the said corporation or its successors, assigns, or nominees to apply for patent or other proper protection for said inventions and to claim the aforesaid benefits of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

UCC-950

Docket No. 730.1.048

I covenant with Union Camp Corporation Limited, its successors, assigns, legal representatives, and nominees, that to the best of my knowledge the right, title, and interest herein conveyed by me are free and clear of any incumbrance, and that I have full right to convey the same as herein expressed.
