ASSIGNMENT

WHEREAS, I, Christopher Gavin Brickell, of Mukilteo, County of Snohomish, and State of Washington, have made new and useful improvements in APPARATUS AND METHOD FOR ADDRESSING ELECTRONIC MODULES;

WHEREAS, Eaton Corporation, a corporation duly organized and existing under the laws of the State of Ohio, having a place of business at Cleveland, County of Cuyahoga, State of Ohio, is desirous of acquiring the entire right, title and interest in and to the said improvements and all patents therefor to be obtained in the United States of America and countries foreign to the United States;

NOW THEREFORE, BE IT KNOWN that for valuable considerations to me paid, the receipt whereof is hereby acknowledged, I, the said Christopher Gavin Brickell, do hereby assign, sell and set over unto the said Eaton Corporation its successors or assigns, the entire right, title and interest in and to the said improvements and any and all inventions pertaining thereto, the application for United States patent executed by me on the 27th day of October 19 98, all patents granted therefor in the United States of America and elsewhere, and the right to apply for patents therefor in all countries foreign to the United States and to claim for such applications the priority of United States applications, and I hereby request the Commissioner of Patents of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents, to issue such patents to the said Eaton Corporation its successors or assigns; and I further agree to execute such other applications and other instruments and do all other acts as may be deemed necessary by the said Eaton Corporation its successors or assigns in order to fully secure, protect and preserve its rights to the said improvements and to obtain patents therefor in the United States of America and all countries foreign to the United States, all without further consideration but at the expense of the said Eaton Corporation its successors or assigns.
