ASSIGNMENT

WHEREAS we David Michael McAtee, Nicholas James Nissing, Erik John Hasenoehrl, and David William Cabell, of Mason, County of Warren, State of Ohio, of Cincinnati, County of Hamilton, State of Ohio, of Loveland, County of Hamilton, State of Ohio, and of Cincinnati, County of Hamilton, State of Ohio, respectively, have made a certain new and useful invention as set forth in an application for United States Letters Patent entitled Cleansing and Conditioning Article for Skin or Hair, Attorney's Docket 6840, executed by us, respectively, the 12th day of October, 1998, the 2nd day of November, 1998, the 14th day of October, 1998, and the 22nd day of October, 1998, Serial No. 09/152,034, filed the 11th day of September, 1998, and also set forth in whole or in part in United States Provisional Patent Applications 60/058,608, 60/072,440, and 60/085,495, Attorney's Docket Nos. 6840P, 6840P2, and 6840P3, respectively, filed September 12, 1997, January 26, 1998, and May 14, 1998, respectively, to which said patent application claims priority under TITLE 35 USC §119(e):

We made such invention set forth in said patent application and set forth in whole or in part in said provisional patent application(s) while employed by The Procter & Gamble Company, and acknowledge our obligation at the time the invention was made to assign said invention to The Procter & Gamble Company, its legal representatives, successors and assigns, the entire right, title and interest, including the right to claim priority of the filing date of said patent and the filing date(s) of said provisional patent application(s) under international conventions, in said invention as set forth in said patent application and as set forth in whole or in part in said provisional (patent) application(s), and in all patents of the United States and of any foreign country which may be issued for said invention, as fully and completely as the same would have been held by us had this assignment not been made. The entire right, title and interest shall vest irrevocably in The Procter & Gamble Company. We further agree, upon request, to execute or assent to foreign applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to The Procter & Gamble Company, its legal representatives, successors and assigns, or as said Company may direct.

And we request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said The Procter & Gamble Company, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in said patent and the invention covered thereby.

The ASSIGNMENT of said patent application is effective as of the earlier of 1) the date of execution shown below and 2) the filing date of said patent application. The ASSIGNMENT of said provisional (patent) application(s) is effective as of the filing date(s) of said provisional (patent) application(s) respectively.
