ASSIGNMENT

For value received, of one dollar and other good and valuable consideration, of which receipt is acknowledged, James W Yeager (hereafter ASSIGNOR), hereby sells, assigns, transfers, and sets over unto Innoflex, Incorporated, a corporation of Georgia and his or her successors or assigns (hereafter ASSIGNEE) 100% of the following,

(A) ASSIGNOR'S rights, title and interest in and to the invention entitled "Storage Bag with Moisture Emitting Pad" invented by ASSIGNOR;

(B) any patents granted to ASSIGNOR on United States patent application S.N. 08/821,668;

(C) any reissues that may be granted thereon; and

(D) any continuations, continuations-in-part, substitutes, or divisions of said patent application.

(E) any modification (whether patentable or unpatentable) now possessed or acquired during the term of Assignor's employment by Assignee, or licensees of Assignee of a device, processes of manufacturing, method, or product and all other confidential information relating specifically to packaging materials utilizing the manipulation of relative levels of humidity.

(F) any trade secrets or proprietary technical information now possessed or acquired during the term of Assignor's employment by Assignee relating to the design, manufacture and/or use of storage bags, pouches, or containers containing moisture emitting pads or other means of regulating differences in relative humidity between different volumes of space including, but not limited to, structural parameters; manufacturing processes; procedures and methods; engineering standards; production standards; product design and methods, and procedures for material and component selection and all other confidential information relating specifically to packaging materials utilizing the manipulation of relative levels of humidity.

Collectively all of the foregoing is referred to as the "Technology".

ASSIGNOR hereby further sells, assigns, transfers, and sets over unto ASSIGNEE, one hundred percentage of ASSIGNOR'S entire right, title and interest in and to any and every country foreign to the United States: ASSIGNOR agrees to execute all papers, give any required testimony and perform other lawful acts, as ASSIGNEE may require to enable ASSIGNEE to perfect ASSIGNEE'S interest in said patent in the United States and countries foreign thereto, and to acquire, hold enforce, convey, and uphold the validity of the "Technology", and ASSIGNEE'S interest therein.

In consideration of the foregoing assignment, the ASSIGNEE agrees to pay to the ASSIGNOR a royalty of fifty percent (50%) of the revenue received by the ASSIGNEE attributable to the intellectual property referred to in this Agreement.

Further, ASSIGNOR recognizes that the ASSIGNEE in turn shall enter into that certain Patent License Agreement dated March 7, 1998 (the "Patent Assignment") which Altura, Inc., an Alabama corporation (the "Beneficiary") so as to License the Beneficiary to exclusively use (with the right to sublicense others to use) the intellectual property referred to in this Agreement and ASSIGNOR agrees that any breach of any obligation of the ASSIGNEE to the ASSIGNOR under this Agreement or otherwise shall not adversely affect the validity or enforceability of the Patent Assignment by The Beneficiary which Patent Assignment shall continue in full force and effect for the benefit of the Beneficiary.

This Agreement may not be changed or terminated orally or changed or terminated without the prior written consent of the Beneficiary and is binding upon the undersigned and the heirs, personal representatives, successors and assigns of the undersigned and inures to the benefit of the Beneficiary and the successors and assigns of the Beneficiary.

In testimony whereof ASSIGNOR has hereunto set its hand and seal on the date below.
