This matter concerns a discrepancy in the first name of an assignor as printed from the microfilm record of the Recordation Form Cover Sheet at Patent Reel: 9222 Frame: 0910. A copy of the printout is attached to Exhibit A. As shown on the said printout, the first name of the assignor Donald A. Ploof is spelled with the letter "l" omitted. The source of this discrepancy is discussed below.

Attached hereto as Exhibit B is the original Recordation Form Cover Sheet which we submitted with the assignment document, together with a photocopy of the assignment document itself. On this cover sheet the name "Donald" is spelled correctly.

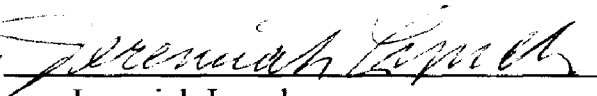

Attached hereto as Exhibit C is a photoprint of the Notice of Recordation of Assignment Document dated August 13, 1998, the said Notice showing the first name of the above-mentioned inventor spelled with the "l" missing.

From the foregoing attachments it is apparent that there is a discrepancy between the cover sheet originally submitted with the Assignment and resubmitted herewith as Exhibit B, and the same document as reproduced from the microfilm record (attachment to Exhibit A).

Correction of the foregoing discrepancy is respectfully solicited.

Respectfully submitted,
