ASSIGNMENT

WHEREAS, I, Frank Ahern, residing at 6233 E. Janice Way, Scottsdale, AZ 85254 as assignor, have invented certain improvements in a DOCKING SYSTEM AND METHOD, for which an application for United States Letters Patent has been executed by me on or about the date of this assignment (details of the Application are to be later inserted above), and

WHEREAS MOBILITY ELECTRONICS, INC., a corporation of the State of Delaware, having an office at 7955 East Redfield Road, Scottsdale, Arizona 85260, as assignee, is desirous of acquiring all right, title and interest in and to said invention and any letters Patent that may be granted therefore.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, as assignor hereby sell, assign and set over to said assignee the entire right, title and interest for the United States and all other countries in and to said invention and the aforesaid application for Letters Patent, all original, divisional, continuation, substitute or reissue applications and patents applied for or granted therefore in the United States and the Commissioner of Patents is hereby authorized and requested to issue all patents on said improvements or resulting therefrom to said assignee herein, as assignee of the entire interest therein; and I for myself and my legal representatives, heirs and assigns do hereby agree and covenant without further remuneration, to execute and deliver all divisional, continuation, reissue and other applications for Letters Patent on said improvements and all assignments thereof to said assignee or its assigns, to communicate to said assignee or its representatives all facts known to the undersigned respecting said improvements, whenever requested, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to aid assignee, its successors, assigns and nominees to obtain patent protection for said improvements in all countries, the expenses incident to said applications to be borne and paid by said assignee.

FRANK AHERN
