ASSIGNMENT AND AGREEMENT

For value received, I, Richard A. DeSenna, residing at 2215 Mainsail Drive, N.E., Marietta, GA 30067, hereby sell, assign and transfer to Tri-Link Unlimited, Inc., A Georgia Corporation, Suite 111, 1590 North Roberts Road, Kennesaw, Georgia 30144, the entire right, title and interest in and to certain inventions related to and as described in U.S. Patent Application entitled "Disinfectant Effervescent Tablet Formulation", filed on March 11, 1996, and Serial No. 08/561,794, and all the rights and privileges in any application and under any and all patents that may be granted in the United States for said inventions, including all continuations, continuations in part, divisionals, reissues, and reexaminations; and I also concurrently hereby sell, assign and transfer to Tri-Link Unlimited, Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application for said patent, and all the rights and privileges under any and all forms of protection, including patents, that may be granted in said countries foreign to the United States for said inventions.

I authorize Tri-Link Unlimited, Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from myself, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Tri-Link Unlimited, Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Tri-Link Unlimited, Inc. in the United States and to Tri-Link Unlimited, Inc. in all countries foreign to the United States, or to such nominees as they may designate.

I agree that, when requested, I shall, without charge to Tri-Link Unlimited, Inc. but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable, or convenient in connection with the patent applications, patents, or other forms of protection of the above-referenced invention, and for the defense and protection thereof if challenged in the court of law.
