ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are hereby acknowledged, Hormel Foods Corporation, a Delaware corporation with its principal place of business in Austin, MN, does hereby, effective August 30, 1998:

SELL, ASSIGN AND TRANSFER to Hormel Foods, LLC, a Minnesota corporation (the "Assignee"), having a place of business at Austin, MN, the entire right, title and interest for the United States in and to any and all improvements which are disclosed in the United States Letters Patent and in the applications for United States Letters Patent listed on Attachment "A" hereto, such applications and all divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States on any of such improvements; and all original and reissued patents which have been or shall be issued in the United States on such improvements.

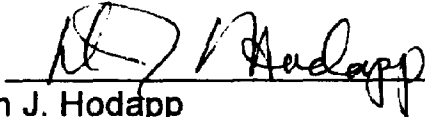

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States patents granted on such improvements to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned;

COVENANT, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and the history thereof; and generally do everything possible which the Assignee shall consider desirable for vesting title to such improvements in the Assignee, and for securing, maintaining and enforcing proper patent protection for such improvements;

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
