ASSIGNMENT

WHEREAS, we, Amy H. Wilson, City of Greensboro, State of North Carolina, and Paul D. Miller, City of Winston Salem, State of North Carolina (hereinafter "Assignors"), have co-invented a new, original and ornamental design for a FUEL DISPENSER HOUSING for which we make application for Design Letters Patent of the United States.

AND, WHEREAS, Gilbarco Inc., a corporation duly organized and existing under the laws of the State of Delaware, having its principal office and place of business at, 7300 West Friendly Avenue, Greensboro, North Carolina (hereinafter "Assignee"), is desirous of acquiring an interest therein.

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors have sold and by these presents do hereby sell, assign, transfer and convey unto the said Assignee, its successors and assigns, their entire right, title and interest in and to the said invention and application, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Design Letters Patent of the United States of America and all foreign countries or reissues thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with their right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignors if this assignment and sale had not been made.

Assignors hereby request that said Design Letters Patent be issued in accordance with this assignment.

Assignors further covenant and agree, and likewise bind their heirs, legal representatives and assigns, to promptly communicate to said Assignee or its representatives any facts known to them relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors and assigns to secure patent or similar protection for the said invention in all countries and to vest in the Assignee complete title to the said invention and Design Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns and other legal representatives.
