ASSIGNMENT

KNOW ALL MEN BY THESE PRESENTS, THAT:

WHEREAS I, Frank A. Robey residing at 8729 Ridge Road, Bethesda, Maryland 20817, together with Andreas Frey residing at Muenster, Federal Republic of Germany and Marian R. Neutra residing at Sherborn, Massachusetts, have jointly invented certain improvements in compositions having a thioether bond; and

WHEREAS Frank A. Robey has entered into an Agreement with The Children's Medical Center Corporation under the terms of which all his rights in the aforesaid invention are to be acquired by The Children's Medical Center Corporation and net royalties generated by the joint invention of Messrs. Frey, Neutra and Robey and accruing to The Children's Medical Center Corporation are to be shared between Frank A. Robey and The Children's Medical Center Corporation pursuant to said Agreement; and

NOW, THEREFORE, BE IT KNOWN THAT for and in consideration of one dollar and other valuable consideration paid to me by The Children's Medical Center Corporation, a corporation of the Commonwealth of Massachusetts having a principal place of business at 300 Longwood Avenue, Boston, Massachusetts 02115, hereinafter called Assignee, the receipt of which is hereby acknowledged, I, Frank A. Robey, do hereby sell, assign and transfer unto The Children's Medical Center Corporation, its

successors, assigns and legal representatives, my entire right, title and interest for the United States of America and all foreign countries in and to any and all improvements which are disclosed in the application for United States Lettres Patent entitled "SPATAILLY ALIGNED CONJUGATE COMPOSITION HAVING A THIOETHER BOND LINKAGE" jointly invented by Messrs. Frey, Neutra and Robey and described in said application executed by each of us of even date herewith and which is fixed as United States Patent Application Serial Number 09/079,374 filed on May 15, 1998 and in and to said application and all divisional, continuing, substitute, renewal, reissue and all other applications for Lettres Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements; and in and to all original and reissue patents which have been or shall be issued in the United States and all foreign countries on said improvements; and including all rights of priority resulting from the filing of any such applications.

AND, I agree that said Assignee may apply for and receive Lettres Patent in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers

of attorney and other papers; communicate to said Assignee, its successors, assigns, and legal representatives, all the facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns and legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements, and for vesting title to said improvements and all applications for patents and all patents on said improvements in said Assignee, its successors, assigns and legal representatives; and I do hereby authorize and request the Commissioner of Patents of the United States to issue such Lettres Patent as shall be granted upon said U.S. application(s) to said Assignee, its successors and assigns.

AND I covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreements affecting the rights and property herein conveyed has been made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned.
