ASSIGNMENT

WHEREAS, We, Luc Heiligenstein, Stephen Melamed, Michael Pelland and Sabrina L. Tongish, (hereinafter "Assignors" including Assignors' respective heirs, executors, administrators and legal representatives), citizens respectively of France, United States, United States and United States, residing respectively in Chicago, Illinois, Chicago, Illinois, Medinah, Illinois and Chicago, Illinois, invented one or more inventions (hereinafter referred to as "said invention(s)") disclosed in an application for Letters Patent of the United States titled **TV ANTENNA** (hereinafter referred to as "said application"), said application having been executed by us on the same respective date we executed this Assignment; and

WHEREAS Terk Technologies, Corp. (hereinafter together with its successors and assigns referred to as "the Assignee"), a New York corporation having a place of business at 63 Mall Drive, Commack, N.Y., 11725, is desirous of obtaining or confirming ownership of all right, title and interest in and to said invention(s) and said application.

NOW, THEREFORE, for good and valuable considerations, the receipt and sufficiency of which Assignors hereby acknowledge, Assignors have sold, assigned and transferred, and by these presents sell, assign and transfer to the Assignee all of their right, title and interest in and to said invention(s) and in and to said application, including the right to apply for any Letters Patent of the United States of America and in any and all foreign countries, on said invention(s), and any and all other applications for Letters patent on said invention(s), in whatsoever countries, including all divisional, renewal, substitute, continuation, continuation-in-part and Convention applications based in whole or in part upon said invention(s) or upon said application, and any and all Letters Patent which may issue thereon, in the United States and foreign countries, and any and all reissues, extensions, renewals, divisions, continuations or continuations-in-part of Letters Patent granted for said invention(s) or upon said applications, to the full term or terms for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said invention(s), said application and said Letters Patent,

all to be held and enjoyed by the Assignee the same as they would have been held by Assignors had this assignment and sale not been made. Assignors hereby authorize the Assignee to file patent applications in any and all countries on any or all of said invention(s) in Assignors' name, or in its name, or otherwise as the Assignee may deem advisable, under the International Convention or otherwise.

Assignors hereby authorize the Commissioner of Patents and Trademarks of the United States and the empowered officials of all other governments to issue or transfer all said Letters Patent to the Assignee as assignee of all of Assignors' right, title and interest therein or otherwise as the Assignee may direct, in accordance with this instrument of assignment.

Assignors hereby represent and warrant that Assignors have not granted or transferred and will not or grant or transfer any rights or interests inconsistent with the rights and interests granted herein, and that Assignors will execute and deliver to the Assignee, at the Assignee's expense and for reasonable compensation if appropriate under the circumstances at the time, any further documents or instruments and do any and all further acts that may be deemed necessary by the Assignee to file applications for said invention(s) in any country where the Assignee may elect to file such applications, and that may be necessary to vest in the Assignee the title herein conveyed or intended so to be, and to enable such title to be recorded in the United States and foreign countries where such application or applications may be filed.

And Assignors further covenant and agree, in consideration of the premises, that Assignors will at any time upon request and at the expense of the Assignee and for reasonable compensation if appropriate under the circumstance at the time, communicate to the Assignee any facts relating to said invention(s), and the history thereof, known to

Assignors, and that Assignors will testify as to the same in any interference or other litigation.

IN TESTIMONY WHEREOF, Assignors have executed this document, together or in counterpart, on the date(s) indicated below.
